

ANNOUNCING:

**THE 48th SANTA CLARA VALLEY MODEL T FORD CLUB
LOWLAND TOUR
June 10 - 11, 2017**

The 48th Lowland Tour will once again be held in conjunction with our 48th Cross Country Speedster Endurance Run on Sunday, June 11th, 2017. In addition to the big event on Sunday, all entrants are invited to come a day early for a short warm-up tour at 2 p.m. on Saturday, June 10, 2017 from Tiffany Ford to San Juan Bautista at no additional registration fee. So plan to join us in Hollister, CA for a leisurely weekend of vintage automotive touring. Saturday night lodging is available in Hollister close to our sponsor, Tiffany Ford. We will have a hospitality room open at 7 p.m. on Saturday evening at Tiffany Ford for relaxation, chatting and great snacks. So, come join us on Saturday if you can, and if not, we will see you Sunday for sure.

This event will bring together more than 45 restored and original vintage automobiles and 35 vintage speedsters. This is a return to the charm and pleasure of leisurely touring with vintage touring cars, vintage speedsters, and vintage clothing. This event is open to all makes and models of restored and original early vintage automobiles pre-1940.

On Sunday, June 11, we will join the Endurance Run at the start line in downtown Hollister. After the National Anthem, the announcer will say, "Gentlemen start your engines" and there will be a mighty roar as the green flag waves them off. Then we'll be off for our own slower, more leisurely run through the countryside to rejoin the speedsters for a luncheon at Tiffany Ford.

Lowland tour participants will receive maps, directions, programs, coffee stop, event dash-plaque and most importantly, unbelievable memories (bring your camera!). This event is all about the fun and pleasure of a vintage automotive event. Even if you and your friends are unable to join the tour, please join us at the start or finish line just for the rare opportunity to see and hear the cars in action and watch the frenzied drivers and mechanics perform their endurance run tasks. Era clothes are encouraged or at least a hat! Remember these cars are at least 90 years old!

This tour will be limited to 55 cars so decide early. The SCVMTFC web site will have additional registration forms at www.scvmtfc.org or you can contact Pat Meneely, 650-776-6085, pmnly@yahoo.com.
