Hollister, California

Come one, come all, 1927 and earlier speedsters.

Visit old friends and make new ones. We have a new area to explore...Hollister, CA.

Stay longer and explore as Hollister is only 40 miles from historic Monterey, Pebble Beach, Carmel, Big Sur, the famous 17-mile drive and much more. Hollister is located close to golf courses, wineries and the historic town of San Juan Bautista. The Mission was opened in 1779 and was also the site used by famous motion picture director Alfred Hitchcock for the film Vertigo in 1958.
