 Rear Seat; 4 Carpet; 4 Door(s); 4 Trunk; N/A Glass; 1

MECHANICAL Brakes; OK Steering; OK Differential; OK Transmission; OK
 Engine; OK Electrical; OK new wiring

SPECIAL EQUIPMENT: 4 cyl. teens era replacement block engine, Master vibrator, Warford transmission, 2 speed Ruckstell rear axle assy., Rocky Mountain outside external contracting brakes, Boyco water oil gas can unit, side view mirror.

Comments: Vehicle is basically in original unrestored condition with a very old exterior repaint and old modifications and repairs made through the years. An excellent "survivor" Other than some new wiring and tires the newest addition/modification is the 2 speed Ruckstell rear axle assy. from 1926.
