

Santa Clara Valley Model T Ford Club  
55th Annual Speedster Endurance  
Run and Lowland Tour  
June 6-7, 2026

Welcome to the SCVMTFC 55th Annual Speedster Endurance Run and Lowland Tour. We are very excited to have you join us for this fun and memorable event! There's never been a better time to dust off your time machine and show off your driving skills. This year's endurance run is open to ALL speedsters of the era from 1900 through 1927. And, if you're wondering if you and your speedster have the "Right Stuff," you do! While we encourage all participants to present their speedsters as they would have appeared during the era represented, components like hydraulic brakes, all types of carburation, alternators and the like are accepted. The drivetrain and chassis must be of the era from 1900 through 1927 to participate. All speedsters, of course, will be required to meet all safety requirements as listed on the Self Check Inspection Form.

Like our 54th Annual Endurance Run & Lowland Tour, this year's event is on track to be truly spectacular! The route through the Santa Cruz Mountain Range will take you on some of the most beautiful roads in the world. Imagine motoring up winding roads amongst the giant redwoods and heading down to the coast for breathtaking ocean views. You'll even pass through historic towns and villages on roads older than your speedsters.

The day before the main event is our Tech Inspection and BBQ at Bertolotti's Garage, where you can catch up with old friends, make new friends, enjoy a delicious barbecue and tour Bertolotti's amazing collection of vintage automobiles. The focus of the tech inspection is on safety, so please remember to bring your completed Self Check Inspection Form and Certification.

Sunday morning, we gather at the VA Medical Center in Palo Alto, for the main event. U.S. veterans, families, friends, and Lowland Tour participants will all be there to cheer on the speedster drivers and riding mechanics. Our opening ceremony will include the presentation of the American flag by a fully uniformed color guard in period dress and a guest singer to lead us in our National Anthem. Then we will hear the words we've all been waiting for: "Drivers, start your engines!" Can you hear it? That's the roar of all those mighty speedsters as they eagerly await the drop of the green flag!

In addition to our main event, we will also hold our Veterans Appreciation Car Show at the VA Medical Center, featuring automobiles from the early 1900s through 1942, for our veterans, families and friends to enjoy while the speedsters and lowland vehicles are on tour. So, if you can't be on the road with a speedster or vintage automobile, please consider bringing your cherished pre-1943 automobile and spend the afternoon with our friends and veterans at the VA Medical Center, Palo Alto.

Thank you for joining us as we celebrate our 55th year of this truly amazing event! Don't keep it a secret. Tell your family and friends where you'll be in June and bring them along to be a part of history in motion.

See you there!

Chris Bhirdo
